Growth Proposal

Prepared for SubhaSree · deevita · September 8, 2026 · Valid until 2026-10-08

1.1 Executive Summary

What We Understand

deevita is exploring how to grow qualified leads and revenue through a stronger digital presence.

THE OPPORTUNITY

Strengthening website conversion and search visibility to capture more of the demand already searching for this business.

What We Recommend

A combined SEO + paid acquisition strategy, sequenced over a 90-day plan, focused on qualified lead volume.

OUR APPROACH

SEO + Google Ads + Meta Ads + content + remarketing.

1.2 Requirements

- 01 A mobile-friendly website with clear calls to action.
- 02 Consistent lead flow from Google Search and paid channels.
- 03 Brand presence and consistent posting across key social platforms.

2.1 Digital Growth Strategy

Attract → Engage → Convert → Retain

01 ATTRACT

- SEO content targeting high-intent search terms.
- Paid search and social ads for immediate visibility.

02 ENGAGE

- Social media content calendar.
- Email/SMS nurture sequence for new leads.

03 CONVERT

- Landing page and offer optimization.
- Clear calls to action across the funnel.

04 RETAIN

- Post-purchase email and remarketing flows.
- Loyalty, reviews and referral offers.

2.2 Recommended Services & Scope

- Improve organic visibility and traffic through technical SEO and content optimization.
- Drive immediate qualified leads with targeted Google & Meta ad campaigns.
- Convert more of that traffic into customers with landing page and funnel optimization.
- Track and refine performance monthly against the KPIs defined below.

2.3 Tools & Resource Plan

- Google Analytics 4 & Search Console for tracking.

- Meta Business Suite for social content & ads.
- CRM for lead management.
- Dedicated account manager + content team.

2.4 90-Day Growth Roadmap

MONTH 1

0–30 Days – Foundation

- Website improvements
- Tracking setup
- Technical SEO
- Audience research
- Landing pages
- Campaign setup

MONTH 2

31–60 Days – Growth

- SEO content
- Campaign optimisation
- Lead generation
- Remarketing
- Social campaigns
- Conversion optimisation

MONTH 3

61–90 Days – Scale

- Scale successful campaigns
- Improve ROAS
- Expand keywords/audiences
- Increase qualified leads
- Improve conversion
- Build sustainable acquisition

2.5 KPI & Measurement Framework

SEO

Organic traffic Referral traffic CTR
Impressions Clicks Backlinks

Paid Ads (Google/Meta)

Impressions Clicks CTR CPC
Conversions

Social Media

Followers Engagement Rate Reach
Clicks

5 Policies & Terms

5.1 REVISION

- Up to 2 rounds of revisions per deliverable are included.
- Additional revision rounds are billed at the standard hourly rate.

5.2 CLIENT RESPONSIBILITIES

- Timely feedback and approvals on deliverables.
- Access to required accounts/assets (website, analytics, ad accounts, social pages).
- A single point of contact for coordination.

5.3 NOT INCLUDED

- Website design/development beyond what's listed above.
- Content or copywriting beyond what's listed above.
- Paid ad spend (billed separately, directly to the ad platform).

5.4 TERMS & CONDITIONS

Validity: this proposal is valid for 30 days from the date above.

Payment terms: 50% advance to begin work, balance due monthly in advance for the selected plan.

What's included: campaign setup, ongoing management and optimization, and a monthly performance report.

Ad spend is billed separately, directly to the ad platform (Google/Meta/etc.) at cost — not included in the management fee above.

Either party may cancel with 30 days' written notice.

6 Next Steps

- 01 Proposal approval & sign-off
- 02 Kickoff call to confirm goals, timelines and points of contact
- 03 Onboarding: brand, business and existing-asset walkthrough
- 04 Access setup: website, analytics, ad accounts and social pages
- 05 Execution begins per the 90-Day Growth Roadmap

Pick a plan from the Commercial Terms section above and confirm by reply, call, or WhatsApp — work begins within 2 business days of a signed approval.
